Attention: Mr. Lance Carlson – President + CEO

Dear Sir:

Subject: Fraser Milner Casgrain LLP ("FMC") – Government Relations

This will acknowledge, with thanks, our retainer by you with respect to ACAD's government relations matters. As discussed, the focus will be relations with the Government of Alberta, but we will work together on this to pull in other levels of government as need be.

The purpose of this letter is to set out the terms of our engagement in connection with the matter.

1. The responsible and billing lawyer at FMC on this assignment is Joe Lougheed.
2. We confirm that our firm's conflict review process has not disclosed the existence or the reasonable potential for any conflict of interest in FMC acting as legal counsel in respect of this matter.
3. A flat retainer of \$5,000, plus GST, shall be paid to FMC monthly, between July, 2009 and January, 2010, inclusive (the "Initial Term"). Extension beyond the Initial Term will be as negotiated between us. Our office will invoice ACAD monthly.

In the event it appears this 10 hour / month threshold will be crossed, I will discuss this with you in advance.

4. FMC and ACAD will develop a list of deliverables to be mutually agreed between yourself and Joe Lougheed. Joe will work with you key members of ACAD's Board and other external 3rd parties as necessary.

5. This government relations retainer is distinct from legal services to be performed for ACAD from time to time. Legal services will be billed by FMC on a file by file basis, at a discounted rate.

Yours very truly,

FRASER MILNER CASGRAIN LLP

Accepted this 15 day of July, 2009
